Complete Enrollment

15. Click Done.

You will receive an email to notify you when the enrollment process is complete. This process may take several minutes. Thank you for your patience. ***(You may need to check your junk or spam mail for this email, which will be from NO-REPLY@OLBFCS.COM.)***

STEP 2: FIRST TIME LOGIN

Once you have received your email confirmation, your enrollment process is complete.

Challenge Questions and Shared Secret

The challenge questions and shared secret provide an extra measure of security for your account.

1. Go to progressivefcs.com and click **ACCOUNT ACCESS**.
2. Enter your username and click Login.
3. Enter your password and click Continue. ***(Use the password created during the enrollment process.)***
4. Select and answer 3 challenge questions and enter a shared secret, then choose Continue.
5. Select and answer 3 password reset questions and click OK.

You now have online **ACCOUNT ACCESS**.

Future logins will only require username and password. If you login from a computer other than the one in which you enrolled, you will be prompted with one of the security questions.

MOBILE BANKING

Farm Credit

MOBILE BANKING gives you anytime, anywhere access to your account information via smartphone or tablet. Using your online account access login and password, manage your Progressive Farm Credit accounts around the clock.

- ✓ To access **MOBILE BANKING**, you must first be enrolled in online **ACCOUNT ACCESS**. If you have not enrolled, complete the enrollment process above.
- ✓ Search for "PFCS" in the Apple App Store or the Google Play Store and install the **FARM CREDIT** App.
- ✓ Login to the **FARM CREDIT MOBILE BANKING** app with the same user ID and password as you use for the website version.
- ✓ You must have your cell phone number on your account. When you login to the **FARM CREDIT** app you will be prompted for your cell phone number. These numbers must match. A code will be sent to your cell phone as a text message. You will need to enter the code on the app to register your device.
